My dear Mr. DeGroot:

From the books of the Gulf Coast Development Company it appears that you own stock certificate number 21 in the Gulf Coast Development Company.

The fury of the Fifth War Loan Drive enabled me to place in the Commercial Bank of Panama City, ~~etc.~~ (\$100.00) hundred dollar bond for your name, or upon the surrendering to them by you this certificate. Am quite sure my action in this matter will meet with your approval, and you will forward your certificate to the bank at your earliest convenience understanding that this bond cancels your entire holdings in the Gulf Coast Development Company.

With kindest regards to you and all of Mr. West's staunch friends, I am,

Sincerely,

Lillian C. West.
